

RUSSELL WYNER

animator – editor – developer – designer

CREATIVE TALENTS

I'm a hybrid – both artistic and technical, an animator and a programmer.
I enjoy teaching, directing, and collaborating with other creative minds.

TECHNICAL SKILLS

- After Effects with Particular
- Maya
- Flash with Actionscript 3
- Final Cut Pro
- Photoshop, Illustrator, Dreamweaver

WORK EXPERIENCE

April 2010 - Present: Russell Wyner, Inc - President

Sole Proprietor of production company that offers animation, video, web development and design services to both large and small businesses.

- Head of Flash development and motion graphics, contracted by Young & Rubicam for Sears Christmas Website: www.holidayhub2010.com
- Art Director for multiple Nickelodeon® marketing campaigns, contracted by MTV Networks to design and animate banners, emails, packaging, and game logos
- Head of Flash Development and Animation, contracted by Maddock Douglas for Bankers Insurance Group Website: www.meettherisks.com
- Contracted by UNICEF to direct and animate World Cup Tour video
- Head of Flash Development, design, and animation for schirts.com.

April 2008 - April 2010: Maddock Douglas Inc - Multimedia Manager

Headed animation, post-production, and Flash programming for an ad agency.

Managed projects on both technical and artistic level and fostered many opportunities to further sell digital production. Clients included Kellogg's, Allstate, Philips, Blue Cross Blue Shields.

August 2006 - February 2008: Z Trim Holdings - Creative Director

Created branding and headed production of all visual consumer-based media, including animation, video, web design, photography and illustration for a fat replacement manufacturer.

EDUCATION

University of Rochester, Rochester, NY

BA in Studio Art and Psychology received May 2006

2004 – 2006: Founded and presided over student-run campus TV station.

Headed production of weekly studio and live-event content.
